

Mission "to improve and empower the lives of the people we serve"

**Request for Quotations, Sealed Bids for New Appliances for an
Instructional Head Start Modular Building
710 Corona Ave. Laurinburg NC.
RFQ Release Date March 28, 2022**

Bids must be in a sealed envelope and marked "**Appliances attention Bosco Locklear.**" Bids will be received by Southeastern Community Action Partnership, 405 N. Elm St., Lumberton, N.C. 28358 (PO Box 1025) 28359 until April 13, 2022, at 4:00 p.m. Bids can be mailed, or hand-delivered, but they must be in the office or post marked by the deadline posted above. No proposals will be accepted after the due date and time posted above.

Bids will be opened publicly on April 14, 2022, at 10:00 a.m. Vendors desiring to participate will be allowed to attend, however a final decision will not be made at the time of the bid opening. Selection of bidder will be made based on which bid is the most responsive to the solicitation and most advantageous to the agency.

Delivery and Setup

All equipment must be inside delivery only, Agency will not accept any drop shipment of equipment. If there is an additional cost for inside delivery, include the cost in your quotation.

Specifications

- 1-6' Superior or Equivalent Stainless Steel Restaurant type-1 wall canopy **Hood System** with light, Make-Up Air & Exhaust Fan with grease box & Fire Suppression System. To include duct work between exhaust riser on hood & fan, stainless steel backsplash 80" high & 84" wide. Price shall include installation for a turnkey job.
- 2-54" Reach-In Arctic Air or Equivalent **Refrigerators** with stainless steel front & sides, 4-casters; 2-locking.
- 2-40" Reach-In Arctic Air or Equivalent **Freezers** with stainless steel front & back sides, 4-casters; 2-locking.
- **Pre-Rinse Faucet** T&S Brass unit with an 8-inch wall mount, chrome-plated brass mixing faucet. 12-inch swing nozzle with a 44-inch, stainless steel, flexible hose with a heat-resistant handle and a hold down ring. An overhead support spring attached to the hose to keep it in shape and upright even when it is pulled down. Spray valve rated for a flow of 1.15 GPM, allowing fully-heated water to begin flowing quickly. The Cerama cartridges, the part of the faucet that increases or decreases water flow, needs check valves that prevent water from cross flowing.
- Wall Mount **Pot Rack** Overall dimensions: 96 in. W x 12 in. D x 12 in. H
- Imperial or Equivalent 60" 10 Sealed Element **Electric Range**, 208v/1ph with solid top, (2) standard ovens, (1) chrome rack per oven, splatter screen, infinite heat controls,
